

2020-2021 Verification Worksheet

ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible.

### Verification of 2018 Income Information for Student Tax Filers

Important Note: The instructions below apply to the student.

Instructions: Complete this section if the student filed or will file a 2018 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2018 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA.

Check the box that applies:

The student has used the IRS DRT in FAFSA on the Web to transfer 2018 IRS income tax return information into the student's FAFSA.

The student has not yet used the IRS DRT in FAFSA on the Web, but will use the transfer 2018 IRS income tax return information into the student's FAFSA.

The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school with a 2018 IRS Tax Return Transcript(s).

The student will provide a complete copy of their 2018 federal income tax return.
